

About The Instructor

Sound credit decisions by bank lenders require a high degree of perception and skill. To reach this level of sophistication, your lending personnel must constantly rethink existing approaches, research new ideas, and update their knowledge.

David Kemp
Bankers Management, Inc.

David Kemp is the President of Bankers Management, Inc. (BMI), a nationally recognized company in financial services training and bank consulting. Mr. Kemp has more than 30 years of management experience in consulting, training credit administration and new business development. His areas of expertise include commercial lending, consumer lending, portfolio management, real estate lending, workouts, and director responsibilities.

The purpose of this school is to provide essential knowledge and skills to your lending professionals and less time out of the bank.

- Learn how to originate loans to qualified consumer and residential borrowers, to minimize collection problems and loan losses
- Find the keys to maintaining compliance with ever-changing fair lending regulations
- Strengthen your loan processing and credit administration skills
- Gain more of your customers loyalty
- Establish a network of peer lenders for continued support
